DetailsApplyDunkin' Donuts Assistant ManagerThe assistant manager is responsible for supporting the restaurant manager such that the overall operation of the restaurant adheres to Dunkin Brands and Company standards. It is important that the assistant manager ensures the team consistently delivers a great guest experience through operational excellence. They are also expected to help the manager with the development and training of the crew. Assisting in the development of the team will in turn further the assistant managers training towards becoming a manager.&nbsp;If you enjoy working in a fast-paced, fun-paced environment that is challenging and allows you to apply your personality and skills in a variety of ways, becoming an Assistant Manager for a Dunkin' Donuts franchisee is a great career choice. Our team is committed to making our guests' day by serving them with a great product, a smile, and heck, maybe even a joke or two. Everyone on our team, from our franchisee to our manager to our crew member, works together and takes pride in doing a good job. If you are ready to roll up your sleeves and work with a winning team, then join our dynamic, award winning franchise!What's in it for you?401K with company matchCompetitive pay plus tipsPaid time off&nbsp;Employee discountsMedical and dental Insurance with company contribution for full time employeesResponsibilitiesEnsure compliance with all applicable laws, Brand standards, and Company policies Train and develop a team to consistently deliver a great guest experience Work with the manager to improve
